*November 8, 2010*

*To Whom It May Concern:*

*“As the owner of East Coast Lot and Pavement we needed a risk management team that understands the unique exposures and complexities of our industry. Roblin Insurance brought that high level of expertise and unmatched service to our company and would strongly recommend utilizing their insurance professionals. Roblin Insurance has earned our business and confidence and we rely upon them everyday as a strategic business partner in keeping our company secure.”*

- Uri Ben-Yashar

President of East Coast Lot & Pavement Maintenance Corporation
