

April 27, 2011

To whom it may concern,

Roblin Insurance has been our agent for the last 12 years. They have handled all of our business insurance needs and fully understand our business and what our needs are. They are directly involved with the carriers when addressing our loss controls. The account is always serviced as if we were their only customer.

Yours very truly,  
**SHAWNLEE CONSTRUCTION LLC.**

Gerald Simmer  
General Manager of Operations
